

06/02/21

Dear Eric,

A note to thank you for the great work you are doing. We hear you have been instrumental in working to upgrade the Casitas SCADA system and build a new Ojai SCADA system. This is critically important work and we appreciate your extra efforts. We also hear you have been going above and beyond for emergency support. Thank you!

We are happy to have you on the Casitas team!

-Kathy

Great work Eric!

Your transition onto the Casitas team has been of great benefit to the District & the public it serves!

A heartfelt thank you!
Mike
